## Internal Quality Assurance Cell

In compliance with the guidelines of the All India Council for Technical Education for maintaining and enhancing the quality of technical education, Poddar Business School has constituted the Internal Quality Assurance Cell (IQAC).

The IQAC is established to develop a system for conscious, consistent, and catalytic improvement in the overall performance of the institution. The Cell aims to institutionalize quality enhancement practices in academic, administrative, and research activities and to ensure continuous improvement in teaching-learning processes and institutional governance. The IQAC works as a facilitative and participative mechanism for quality sustenance and enhancement by involving internal and external stakeholders including management, faculty, industry representatives, alumni, students, and administrative officers.

### Objectives

- To develop and implement quality benchmarks for academic and administrative activities.
- To promote a culture of continuous improvement in teaching, learning, and research.
- To facilitate the creation of a learner-centric environment conducive to quality education.
- To encourage innovation, best practices, and institutional development initiatives.
- To strengthen industry interaction and stakeholder engagement in institutional development.
- To monitor and review institutional processes to ensure alignment with quality standards.

### Functions

- To develop quality parameters for academic and administrative activities of the institution.
- To monitor the effective implementation of teaching-learning processes
